The room may turn your head but the right treatment the windows can leave you breathless. Kirsch® creates blinds, shades and drapery hardware — the complete window — that work in sophisticated harmony. Our Mix & Match® drapery hardware collection merges multiple finishes, and lush materials like leather, metal, wood and mother-of-pearl, and numerous finial designs. Add the organic look of natural, hand-woven wood shades to truly complete the room.

Call 866-321-7957 to find an authorized Kirsch® dealer or visit www.kirschsweepstakes.com/cottage for a dealer listing and a chance to win interior design services!
