Hollis™ Traverse Rods Bracket Spacing & Mount Options

Place brackets at each end. On the ends where the drapery will stack, place the next bracket at a maximum of 24" from the first bracket, then place remaining brackets at 48" intervals over the remainder of the track. Spacing may need to be shortened for heavier draperies. All mounting options are compatible with our motorization.

Hidden Bracket | Wall Mount using parts:

To achieve this look, order Hollis™ Traverse Rod, wall mount hidden bracket and all components will be included.

Wall Mount
